

Orley Farm School

*Appointment of Head of History
September 2018*

Thursday 8th February 2018

Dear Applicant,

Orley Farm School is an extraordinary place of learning! We are set in a highly competitive part of London where expectations are always leveled at doing and being our very best. The DNA of this school runs very deep as we approach our 175th anniversary and it is founded in developing remarkable young people, not simply the one-dimensional 'academic' child. We are equally focused on developing the social, physical, creative, emotional and spiritual child alongside our academic challenge because we know that this leads to enriched learning. It is also the right thing to do in a world that tends to only value short-term highs; we are in this for 'life', as I want our pupils, staff and parents to look back on their Orley years as a time of wonder and inspiration!

As a school, we have been in a very fortunate position investing the best part of £10 million over the past four years and we are looking to invest a similar figure in the near future but facilities are nothing without the right staff team. I am blessed to have a wonderful Curriculum Team and I am looking for an outstanding Head of History who wants to inspire 500 girls and boys and 700 parents!

I was so fortunate in my early years as an art teacher and Housemaster to work for a Head who expected me to make mistakes, learn from them but to always aim for the stars! I hope that having the opportunity to visit our website and peruse our prospectus will give you further insight into what an extraordinary place this is with infinite opportunities. Initiative and Risk Taking are two of our ten unique 'Thinking Skills' and if the attached role and description of our community excites you, then I do hope that we hear from you!
