

APPOINTMENT OF
Learning Support Assistant
September 2024

ORLEY FARM
SCHOOL

'It takes a village
to raise a child'

Dear Applicant,

Orley Farm School is an extraordinary place of learning! We are set in a highly competitive part of London where expectations are always leveled at doing and being our very best.

However, do not be fooled into assuming that our parents are part of the dinner-set who focus on superficial veneer-thin aspirations. The DNA of this school runs very deep and it is founded in developing remarkable young people, not simply the one-dimensional 'academic' child. We are equally focused on developing the social, physical, creative, emotional and spiritual child alongside our academic challenge because we know that this leads to enriched learning. It is also the right thing to do in a world that tends to only value short-term highs; we are in this for 'life', as I want our pupils, staff and parents to look back on their Orley years as a time of wonder and inspiration!

In order to achieve this you have to surround young learners with adults who share a sense of service, duty, commitment and above all, care for this vision. Orley Farm School inspires everyone to achieve in every aspect of their educational experience, pupils, staff and parents included! Our focus is on the individual and their passions and this is at the heart of all that we do, in order to unlock further learning and develop new skills.

A very strong part of our vision is how we sit in our community. We talk about the bonds of family within our school and this is certainly evident in the relationships across and within the school. We are blessed with an extraordinary setting and facilities within a stone's throw of London. Our school community has a strong foundation in 'giving', as this goes back to those founding values in developing happy, fulfilling and purposeful lives – for pupils, staff and parents!

I was so fortunate in my early years as an art teacher and Housemaster to work for a Head who expected me to make mistakes, learn from them but to always aim for the stars! I hope that having the opportunity to visit our website and peruse our prospectus will give you further insight into what an extraordinary place this is with infinite opportunities. Initiative and Risk Taking are two of our ten unique 'Thinking Skills' and if the attached role and description of our community excites you, then I do hope that we hear from you!

Yours faithfully,

Headmaster

Orley Farm School was founded in September 1850 by Mr Edward Ridley Hastings. Mr Hastings had previously been employed as a tutor, but with encouragement from Dr Vaughan, the great Headmaster of Harrow School, he formed a preparatory School so boys did not have to “enter Harrow too early”.

A new classroom block was added. 1973 saw the addition of the Gardner building, and in 1977 phase one of the Sports Hall complex was completed, with the addition of a gymnasium in 1981. Two major changes were also brought about in 1978; the Pre-Preparatory department was opened to educate boys from four to seven years. Then in 1984, a year after St George’s Hall was finished and 133 years after the first boarders, Orley Farm ceased to be a boarding School and the dormitories were converted to classrooms.

That year also saw the Official Grant of Arms made through the College of Heralds, and in May 1985 the emblazoned Orley Farm School scroll was put on display in the corridor of St George’s Hall. The arms and crest have three historical sources: (1) the stag holding an oak leaf is the Trollope family crest; (2) crossed arrows and a silver laurel wreath are included on the Harrow arms, and (3) the “Hurst” of oak trees on the shield and sprig of oak in the badge refer to the Gardner family. The motto, Haec cogitate, “think on these things”, comes from St Paul’s letter to the Philippians’.

In 1990, there were more changes, most important of these was the admittance of girls to the School in 1994, adding another dimension to Orley Farm’s long and varied history. In 1995, a new Pre-Preparatory department was built, followed in October 1996 by the opening of the all-weather pitch and Quadrangle development. Finally, as the School’s approached its 150th birthday in 2000, a state-of-the-art music faculty was completed.

ORLEY FARM HISTORY

ORLEY FARM ETHOS

At Orley Farm we pride ourselves in providing a challenging environment to stimulate and develop lively and inquiring minds.

We encourage all pupils to reach their true potential and eventually become individuals who value learning with and from others, as a life-long process. Independence of thought and action is encouraged, together with application, perseverance and initiative.

The curriculum is broad-based in order to facilitate the acquisition of knowledge, promote enjoyment in learning and to provide skills to equip students for their next school and further. We aim for our pupils to enter the rapidly-changing world of work and leisure as active and confident participants.

Everyone at Orley Farm works to create an atmosphere in which pupils feel secure and valued and encouraged to progress academically and socially. We try to develop in them a sense of moral values, especially respect for others and their property, which will enable them to become responsible and considerate members of any community.

**‘Focus on the journey,
not the destination.
Joy is found not in
finishing an activity
but in doing it.’**

Positive staff mental health and wellbeing are essential ingredients for cultivating a mentally healthy school.

Positive staff mental health and wellbeing at Orley Farm is all about flourishing and thriving at school, work and beyond. We give our pupils and staff the happiness advantage by drawing on the principles of Positive Education.

Positive Education is the practical application of Positive Psychology within an educational setting combining best-practice teaching and pastoral care with the science behind happiness and wellbeing. We strive to equip our whole school community with positive mental health strategies through continuous professional development alongside their personal development and growth.

Here at Orley Farm, we view professional growth as a protective factor in staff wellbeing and value the positive impact that continued learning has on mental health and wellbeing.

Three core pillars drive through the heart of the school ensuring pupils have a balanced approach to their school life. Hand in hand academia, co-curriculum and pastoral care form 'The Orley Farm Way.' They are woven into the fabric of the school and the exceptional pastoral care that the school provides enables children to foster a strong sense of 'self', 'belief' and 'purpose.'

The Thinking Skills are at the heart of school life.
